

PREFACE 前言

本书为《英语2 基础模块同步训练与测试》，是中等职业学校公共基础课教材《英语2 基础模块》的配套同步学生练习册，根据教育部2020年3月发布的“新课标”要求而编写。在编写过程中，我们取长补短，并做如下考虑：

1. 立足教材，为学生继续深造服务

本练习册紧扣单元任务，基于教材每单元的语言基础知识编写相应的练习，并兼顾综合能力培养，帮助学生有效巩固旧知识，深入学习新知识。同时为了满足中专生的升学要求，本练习册的题型设计在符合学生认知的前提下，尽量兼顾对口升学试题形式。第一大部分为“口语交际”：通过浅显易懂的英语生活对话，考察学生根据对话内容结合图片寻找答案的思辨能力。第二大部分“情景交际”：a项目为考试题型，围绕课文出现的重点交际句型，让学生进行有的放矢的训练。在b项“补全对话”中，结合生活实际和考试选择填空题型，设计了大量鲜活的英语场景体验。第三大部分旨在训练学生的阅读能力：在考试层面上就是“阅读理解”和“完型填空”，主要是对学生单词量和语法综合实践能力的客观考量。通过有意义、有趣的英语短文，让学生在学习中，巩固单元重点词汇，灵活掌握语法，提升应试能力。第四大部分是写作训练：a项“单词释义”是针对教材中出现的考试词汇考察；b项“选择填空”主要考察学生对教材中出现的重点语法现象的掌握情况；c项“汉译英”，进一步考察学生利用单元知识模块组织语言的能力；d项“作文”是对学生本单元学习整体认知和输出的综合考察，同时也为对口升学考试中最后一项“作文”进行素材积累，打下坚实基础。最后在期中和期末测试里，题型设计和计分标准则完全参照对口升

学的标准试卷，可以让学生对自己整体的学习效果有较为客观的认识。

2. 围绕话题，丰富拓展相关语料

本练习册紧密围绕单元话题，丰富并拓展了相关语料。学生通过阅读与话题相关的文本，可以增强语篇意识，提升思维能力。如在完形填空和阅读理解都是与话题相关的语料。两篇阅读文章由易到难，学生可以逐步挑战自己，体验英语学习的成就感。通过阅读不同语料，学生可以进一步了解中外文化差异，传承和发扬中国优秀传统文化，增强跨文化理解能力，坚定文化自信。

3. 紧扣课标，培育提升核心素养

本练习册秉持教材立德树人、培养学科核心素养的宗旨，在内容编排上兼顾职业特色和价值导向，创设真实情境，提供多维度、多语料的习题，以期提高学生语用能力，引导其形成正确的价值观。在训练中也尽量发挥学生的主观能动性，结合实际，让他们大胆发挥。比如在“食物”单元翻译中，把“每天一苹果，医生远离我”改编为“每天一口罩，新冠找不到”，让学生能迅速学以致用，并加强防疫意识。

由于编者水平有限，练习册中难免有不当之处，恳请广大师生在使用后提出宝贵的意见和建议。

Passage 1

When I was 30 years old, one of my closest friends — we met when we were 12, the day I switched (调工作) from my Catholic elementary school to the local public junior high — was diagnosed (被诊断) with cancer. Now, more than 25 years later, it is often treated successfully. Hers, which first appeared as a mysterious swelling (肿块) in a muscle in her lower back, was either diagnosed too late or was too aggressive for the treatment available at the time. Within a year, she was gone.

Like me, she was a writer. Unlike me, she found her voice far earlier than I did. In the short time between diagnosis and demise (死亡), she wrote — a lot. She described having cancer as being on a raft

(救生筏) in a rushing river, while everyone you love is shouting at you to paddle back to shore. But you're alone, washed away by the current (水流) .

I thought I knew what she meant then. I know it even more keenly now. But I'm not going to die.

21. How old was the writer when she knew that her friend had cancer?
A. 12 B. 25 C. 30 D. 31
22. How old is the writer now?
A. 30 B. 31 C. 42 D. 55

C. headache D. stomachache
24. How old was the writer when her friend died?
A. 30. B. 31 C. 25 D. 55.
25. What happened to the writer?
A. She lost other friend B. She lost her job
C She has cancer D. She was left alone on a raft

Passage 2

My fitness journey began really early. I was only 4 when my mother took me to the swimming pool for swimming lessons. I never had an interest in football or ball games as a kid, and swimming really forged my endurance mentality (锻炼耐力) .

Then, I started to realize that I needed to improve my overall strength. Resistance training (抗阻训练) became complementary (免费赠送) to my endurance training. So I gradually gathered some old gym equipment for the garage.

I was very skinny (瘦小), with a good shoulder frame inherited (得益于) from the swimming years, and an incredibly fast metabolism

I am lucky, because I learned that at an early age, where there is an idea, where there is focus and will, there is always a way to success.

26. What's the writer's first sports hobby?
A. football B. basketball
C. skating D. swimming
27. What did the writer look like when he was a teenager?
A. fat B. slim C. tall D. short
28. Where did he go when he was 18?
A. France B. U. K.
C. China D. Japan
29. Besides swimming pool, where else did the writer like to go?
A. Gym B. Playground
C. Library D. Cinema
30. Find the best Chinese meaning to the underlined word.
A. 转圈 B. 循环
C. 自行车 D. 骑自行车

Exercise 31 countless (不计其数的) benefits (好处). Of course, there's the weight loss and muscle gains — the aesthetic (审美的) changes 32 people tend to notice the most. Then, there's the physiological (生理的) advantages 33 better sleep, more energy, disease 34 and enhanced immunity (提高免疫力). Finally 35

the mental side — a boost (促进) in self- 36 , a new joy for life, and even a drive 37 stronger social connections. All of 38 powerful pay-offs can come from 39 it just one step at a time. And many people provide 40 proof to us.

e. Write a composition according to the given information. 根据所给信息完成作文写作。

66. Below are some suggestions about healthy life styles. Please write a brief poster according to the tips.

Tips for a Healthy Lifestyle

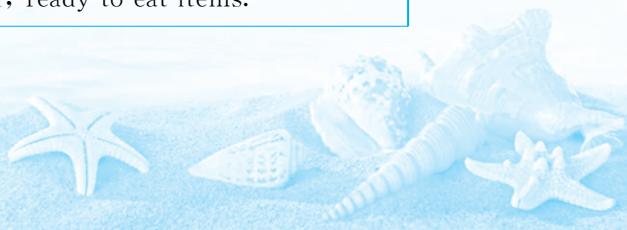

1. Eat a balanced diet

- Add variety to your meals. Eat a variety of foods that includes fruit, vegetables, legumes, nuts, seeds, and whole grains. Aim to eat at least 5 servings (400 grams) of fruits and vegetables every day, especially fresh, seasonal ones.

- Cut back on salt. Your daily salt consumption should not exceed 1 gram (or 1 teaspoon) . Add less salt when preparing your meal, limit the amount of high-sodium condiments like soy sauce you add to your foods, and avoid salty snacks. Reducing the amount of sodium in your diet decreases your risk for high blood pressure.

- Limit your sugar intake. Limit your sugar intake to 50 grams or about 12 teaspoons a day. You can achieve this by avoiding snacks, candies, and sweetened drinks, such as fruit juices and sodas. Reducing your sugar intake reduces your likelihood of developing diseases such as diabetes, heart disease, stroke, and some cancers.

- Avoid unhealthy fats. Fats should only make up 30% of your total energy intake. Stick to unsaturated fats, such as olive oil, fish, nuts, seeds, and avocados. Avoid saturated fats, such as red meat, butter, and cheese, as well as trans fats, such as baked foods and prepackaged, ready-to-eat items.

2. Stay well hydrated

Remember to drink 8 glasses of water a day. Your body is made up of 80% water, and water is necessary for regular bowel function, optimal muscle performance, and immune and skin health. Not drinking enough water can cause dehydration, fatigue, headache, dry skin, and weakened immunity.

3. Exercise regularly

Try to get at least 150 minutes of exercises a week or 30 minutes of exercise at least 5 days a week. Whether it's walking, jogging, swimming, or doing an at-home Pilates workout, the goal is to stay physically active. Exercise not only helps you maintain a healthy weight, but also decreases your risk of developing diseases as a result of a sedentary lifestyle.

4. Get enough good sleep

There is a strong link between sleep and the immune system. Getting seven to nine hours of sleep heals and strengthens your body while you are asleep. Good sleep is vital for your physical and mental health.

5. Limit your alcohol intake

Drinking alcohol in excess can lead to liver diseases and even liver cancer in the long run. Alcohol abuse can also cause impaired judgment and even lead to accidents and injuries.

Men should limit alcoholic drinks to 2 a day, while women should limit alcohol drinks to 1 drink a day.

Passage 1

Internship Report

Intern: Jordan Rahim (Business Internship)

Completed from June 1st, 2022 to July 31, 2022

Mentor: Mr. Johnson, manager of Good Ventures' residential investment section

Table of Contents (内容)

1. Introduction
2. Description
3. Learning
4. Ongoing Considerations

Introduction

Good Ventures provides real estate consultation (不动产咨询) services to the United States. With a top-five ranking in the real estate field, Good Ventures is sufficiently qualified to help customers make wise investment decisions.

From June to July 2022, I worked in Good Ventures' residential investment section as an intern. There were 10 employees in total.

Description

My duties at Good Ventures were consulting on fix-and-flips (翻修) prices and advising about the best market seasons to invest. I also

helped employees prepare financial reports based on profits from individual sales for June and July.

Learning

I learned how to use Good Ventures' in-house software that compared company prices to market value. Although the company is very fast-paced and it was challenging to complete all of my duties, I gained valuable experience, learned how to manage my time and how to organize work to maximize (最大化) efficiency.

Ongoing Considerations

In the two months with Good Ventures, I feel I was able to learn as much as I could. However, I would like to learn more about the real estate market, including how to price new builds and how to discuss mortgage (按揭) services for first-time buyers.

This internship experience was important in building my business administration skills. I am grateful to have had the opportunity to get practical experience.

21. Where did Jordan do his internship?

23. What did Jordan do in Good Ventures?
 - A. Selling house
 - B. Buying stock
 - C. Consulting
 - D. Sweeping
24. Which of the following is NOT true?
 - A. Jordan worked in Good Ventures for only two months.
 - B. There are 10 people in Good Ventures' residential investment section.
 - C. Good Ventures is slow-paced.
 - D. Jordan knows clearly about fix-and-flips prices.

25. How did Jordan feel about the internship?

- A. bored B. tired C. sorry D. thankful

Passage 2

Passage 1

The poet, Henry Longfellow said: "No man or woman is so poor as to have nothing worth giving." This is the vitality (生命力) of volunteering; it is something that anyone can do - no matter where they live, their age, income, religious or cultural affiliation (隶属). Volunteering is a wonderful opportunity that is open to all of us and there is a vast range of possibilities for volunteerism in China. I invite you to join with us by logging in our homepage.

We are partnering with several international NPOs to connect you to service opportunities in your community so you can make a difference wherever you are and however you want to serve. We are excited to team up with nonprofit, faith, and government organizations nationwide to post volunteer needs and opportunities to serve.

Whether you need volunteers to help at a one-time (一次性) event or to fulfill an ongoing (持续的) need, we can also help!

Volunteering is a two-way street that provides benefits to both the organization and the volunteer. It is an instrumental (工具性) force in promoting positive (积极的) and sustainable (可持续的) growth within communities, while increasing social connections, improving mental (精神的) and physical (肉体的) health and improving employability (就业能力) for volunteers.

Do you want to experience the benefits of volunteering, but you're not sure where to start? There are millions of ways you can engage in volunteer work to help others. Taking your neighbor's dog for a walk, serving lunch at the school canteen, or even volunteering at the Olympics is all important volunteering work that helps the community.

So we've pulled together a list of the main types of volunteer work and the projects they cover.

The five different types of volunteer work fall into these major categories:

I Environmental

II Animals

III Social

IV Healthcare

V Sports and leisure

And you may take a closer look at 12 different types of volunteering work by dividing above 5 items, and hopefully you find something that piques (激发) your interest!

Environmental Volunteer Work

1. Conservation (保护)
2. Farm work
3. Climate change (气候变化)

Animal Volunteer Work

4. Animal rescue and care
5. Wildlife conservation

Social Volunteer Work

Passage 2

My dad asked me to volunteer with our local Meals On Wheels when I was 15 years old. We volunteered every Saturday morning during the summer while I was off school. We delivered hot meals to elderly people in our town who were unable to make their own food.

I really enjoyed it for a number of reasons. It gave me a huge sense of accomplishment because it was my first volunteering experience and I had never had a job before either. I felt like I was helping my community and it made me really proud.

It also made me aware of some of the struggles of the elderly. Particularly when it came to mobility, and also the fact that a lot of elderly people are lonely. Many of the recipients asked us to stay for five minutes for a chat - it broke my heart at the time! It made me appreciate my grandparents a lot more and gave me more respect for elderly people in general.

At 15, it's quite easy to be self-absorbed. The volunteering experience definitely made me a better person and made me think a lot more about other people and their needs. It was quite special because my dad and I would go for breakfast afterward, so in addition to the great feeling from volunteering, it was also a nicebonding experience for us!

26. Which one is not the benefit of the volunteering listed below?
- A. Huge sense of accomplishment
 - B. Aware of some of the struggles of the elderly
 - C. Think a lot more about other people and their needs
 - D. Have free breakfast
27. What does the underlined word “meal on wheels” mean in the first paragraph?
- A. 车轮上的饭
 - B. 快餐车
 - C. 野营
 - D. 烧烤
28. Why does the writer thank his grandparents a lot?
- A. He learned a lot from the volunteer experience.
 - B. His grandparents cook better than the elderly.
 - C. The elderly don't talk with him.
 - D. The elderly speak too much to him.

29. who has the “bonding” with the writer in the last paragraph?

- A. Teacher
- B. elderly people
- C. father
- D. grandparents

30. What’s the best title for the passage?

- A. Delicious breakfast
- B. My volunteer story
- C. Lonely people
- D. My father and I

University of Oxford is the oldest university in the English-speaking world and it's one of the top universities in the world. There is no clear date when the university started, but teaching began at Oxford in some forms in 1096 and developed quickly from 1167.

College life at Oxford is very exiting but busy. The groups of college provide a friendly and welcoming home for students while the college is strict with students about their studies. Many Chinese students are studying here. The number of Chinese students at the university has grown quickly over the past 10 years.

Is there anything more important than health? I don't think so. "Health is the greatest wealth." wise people say. You can't be good at your studies or work well when you are ill. If you have a headache, toothache, backache or had pain in the stomach, if you complain of a bad cough, if you run a high temperature and have a bad cold, or if you suffer from high or low blood pressure, I think you should go to the doctor.

The doctor will examine your throat, feel your pulse, test your blood pressure, take your temperature, sound your heart and lungs, test your eyes, check your teeth or have your chest X-Rayed. After that he will advise some treatments, or some medicine. The only thing you should do is to follow his advice.

Speaking about doctor's advice, I can't help telling you a story.

An old gentleman came to see the doctor. The man was very ill. He told the doctor about his weakness, memory loss and serious problems with his heart and lungs. The doctor examined him and said there was no medicine for his disease.

He told his patient to go to a quiet place for a month and have a good rest. He also advised him to eat a lot of meat, drink two glasses of red wine every day and take long walks. In other words, the doctor advised him to follow the rule: "Eat at pleasure, drink with measure and enjoy life as it is." The doctor also said that if the man wanted to be well again, he shouldn't smoke more than one cigarette a day.

A month later the gentleman came into the doctor's office. He

looked cheerful and happy. He thanked the doctor and said that he had never felt like a healthier Man.

“But you know, doctor,” he said, “it’s not easy to begin smoking at my age.”
